Description of Workcamp: CONC 040 CHATEAU DE LAXION 05/08-19/08 RENO/FEST 18+
15 VOLS

PROJECT: Laxion castle is located not far from Thiviers, capital of the *¿foie gras¿* and is situated on Cognac sur l'Isle, village well-known for its medieval architecture. The castle from the XVth and XVIth centuries is registered like an historical monument since 1946. After 2 fires in 1998 et 2008, it is now in restoration. That's why the association *¿Save the Laxion castle¿* involves Concordia in the project in order to restore a stone wall and to take part in the organisation of the medieval festival in august. This project's aim is not only around technical enhancement of this wonderful site but also to encourage the meeting between local population and volunteers.

WORK: Led by a technical leader, you will take part in the restoration of a half dry stone wall. You will take part in the medieval festival to make sure everything goes well on the site the 6, 7, 13 et 14 of august.

ACCOMODATION: You will live under tents and you will have the possibility to cook kebab and other grilled meat on the spot. Summary collective living conditions. The temperature can go down during the night, so think to bring a warm sleeping bag.

LANGUAGE: French and English.

LOCATION: Situated 30 kilometres North of Périgueux and 70 kilometres south of Limoges, Laxion castle is in the famous department of Dordogne.

TERMINAL: The train station in Thiviers.

SPECIAL REQUIREMENTS: Bring a sleeping bag, working clothes, work and sport shoes and warm clothes.

SPECIAL REMARKS: No public transportation, for those who like nature and walking. SCAFFOLDING CERTIFICATE MANDATORY
