Description of Workcamp: LUN 15 Explora Kids 3 - Rimini 17/07/2011-31/07/2011 5 Vols Kids
 PROJECT: Explora campus association works to raise awareness on civic protection and active citizenship. The association manage a campus wher is possible to have trainings and simulate emergencies. This summer Explora will host kids in summer camps, giving them the chance to become a good ¿civic protector¿.

WORK: The volunteers will support the organization of the summer camps, working to provide an added value in term of intercultural exchange. The international volunteers will help in the activities (exercises and simulation of possible emergencies, climbing, management of camps, animation, logistic...) involving the kids in a funny way.

ACCOMMODATION: In the campus residential building where kitchen and bathrooms are available. Sleeping bag needed. LOCATION: Santa Giustina, outskirts of Rimini. The town is adjacent to State Road Emilia, served by public transport, but we will also provide bicycles to travel in short distances.

TERMINAL: Bologna
