DESCRIPTION OF THE WORLCAMP ACTIVITIES				
<p>In partnership with the association "The jewel of Insos" Adichats committed to restoring this magnificent Romanesque church, isolated in nature and has a remarkable bell tower. This year, you will contribute to the restoration of the main entrance under the guidance of experienced masons. You will enjoy the beautiful landscape around, visits, leisure and outdoor sports.</p> <p>Accommodation is very simple (it is not like a hotel).</p>				
DESCRIPTION OF THE HOSTING LOCAL ASSOCIATION				
<p>The association Adichats was founded in 1981 by a group of young people interested in architecture and local history, to enable the development of Budos and Villandraut castles as hotspots of medieval architecture.</p> <p>It aims to form a network of solidarity, action and coordination to allow the animation and restoration of some important listed sites (National Heritage) of the South West of France and especially the Guyenne et Gascogne region.</p>
