Description of Workcamp: RU-ECZ 3 ANCESTOR¿S PATH Arkhangelsk region ENVI/CONS 25/07/2011-5/08/2011 14 vols

Project: The project is organized by Moscow Ecological Center Zapovedniks and Kenozersk National Park. Kenozersk National Park is a model object, where the history and culture of the Russian North is preserved. Nature complexes and objects, numerous monuments of material and spiritual culture, architecture, monumental painting, icon painting, archeology, rich ethnographic material were reserved here. The historic-cultural elements of the Park¿s cultural landscapes (St. Groves, chapels, holy roads, dwelling constructions and household outbuildings etc.) are the objects with high value. It is original visiting card of the Park and makes it a unique region that has no analogue in Russia no in other Countries of the world. An international festival will take place in the Park 1-11 July. Artists, painters, architects, sculptors, musicians, experts and restorers

Work: Help in improving the ecological path ¿Ancestors¿ Path¿ (make floorings), assist in landscape cuttings on the territory of Naglimozersky cultural-landscape complex.

Leisure: different workshops from local people, hiking, local museums.

Accommodation/Food: You will live in the forest cordon ¿Izba Sedogo¿ (Grey man¿s hut) and tent camp by the shore of lake Naglimozer.

The nearest civilization (village Morschihinskaya) with shops, post office, the internet, first-aid station is in 4 km. There will be ¿black¿ and ¿white¿ banya (Russian sauna) organized in village Morschihinskaya.

WC outside.

All the necessary products will be bought and volunteers will be provided with necessary plates and dishes for the cooking (on fire or in the stove in cordon) Vegetarian food is available.

Organizers will provide tents, mats and sleeping bags, dishes. There is a boat station nearby.

Location: Arkhangelsk Region, Kargopol District, Kenozersk National Park. Railway station Nyandoma. The duration of the journey from Moscow to Nyandoma (train Moscow-Arkhangelsk) ¿ 13 hours.

Extras: work is manual and hard
