**Description of Workcamp:** CPD04 Halle 19.07. ¿ 04.08.11 RENO, CONS, TEEN Vol: 10  
Age 18-25

Language: German, English

The project: The Center for Youth and Family St. George in Halle offers a wide range of activities and rooms in order to support the special needs of kids and their families. This year you can help to rebuild a house and its environment as a kindergarden. At the same time you are invited to get to know some interesting sites of this region.

The work: Your help is needed in the following areas: Manual work inside of the building: the continuation of the interior construction, plastering, painting, lay out of the green area and playgrounds. The work is guided and accompanied by social workers and craftsmen. It is foreseen that you will work eight hours on four days of the week, including two hours break.

The leisure time: Various leisure times are possible. It is organized and partially funded by the institution, which are partly as a variable offer for the group.

- Hiking in the surrounding area, excursions in Halle, "the city of Handel and the salt boilers, including a visit to the salt museum, Handel House, Beatles Museum and a youth recreational facility, possibly Disco, to go swimming.

The Accommodation: The project will provide food and accommodation, your help will in kitchen and cleaning the dishes will be welcome. We sleep inside the house in beds ore mattresses. Each participant should bring a sleeping bag and a sheet. In exceptional cases, a sleeping bag can be provided.

Remarks: Important are sturdy shoes and outdoor clothing for hiking and a backpack. It can be cold and rainy in Germany, even in summer.

Terminal: Halle, next airports Berlin, Frankfurt
