**Description of Workcamp:** NIG09 Teterow III 18.07. ¿ 31.07.2011 ENVI/RENO vols: 10

**Location:**

Teterow is a small town in the heart of the charming area known as "Mecklenburgish Switzerland". On all sides, the countryside rises and merges into forested ranges of hills. Besides the historical town centre with its marketplace, town hall and church, two medieval town gates and numerous historical buildings, visitors and tourists will find many interesting sights and destinations for excursions in Teterow and surroundings. For further information please visit [www.teterow.de](http://www.teterow.de) (also available in English and Swedish).

**Work:**

This camp is for nature lovers. The volunteers will work in a nature reserve on a peninsula close to the town Teterow, called Sauerwerder. This nature reserve is situated in the lake Teterow. Interesting to see is the NABU station. There you will learn know many different kinds of birds, plants and other animals. The volunteers will renovate the nature trail and will do also some environmental work.

It is necessary to bring work cloth! The exact tasks that will be undertaken will vary and volunteers are expected to be flexible in the work they do and be prepared to participate in all of the tasks fully.

Nearest airports: Berlin and Hamburg

Nearest train station: Teterow

Accommodation: The volunteers will stay in a bungalow in Sauerwerder.

Food: Full board is included, but meals have to be prepared by the volunteers

Leisure time activities: Excursions are planned, swimming, short trips to nearby towns¿etc.

Further requirements: Please bring a sleeping bag, a mattress pad, work clothes + gloves, motivation and good humour
