Description of Workcamp: CONC 064 GIAT 06/07 ¿ 27/07 ENVI 18+
12 VOLS

PROJECT: Giat is a town situated in the heart of Combrailles, small mountain area traversed by numerous streams and dotted with ponds. Among these, ¿Ramade¿ has an area of 82 hectares. Used mainly for fishing, fauna and flora are protected. The municipality wishes to renovate facilities to discover the site and surroundings (pathways, observatory). This work will be the opportunity to welcome a first international workcamp. The volunteers will discover the richness of the landscapes and meet inhabitants during the numerous local fairs.

WORK: You will participate in the renovation of wooden facilities which allow to discover the site: a wooden footbridge on a humid area and an ornithological observatory near the pond. Other small tasks may be planned, as the renovation of fences.

LOCATION: Giat, is a town of 1000 inhabitants of Auvergne in the heart of Combrailles and near the Regional park ¿Plateau des Millevaches¿. 60 km east from Clermont-Ferrand. It¿s a small mountain region with a rich natural heritage.

ACCOMMODATION: two places tents, (bring your own sleeping bag) and collective tent for the group life.

TERMINAL: To Giat train station (train until Montluçon and connection by bus Montluçon-Giat, attention a single possibility a day). Airport: Paris.

SPECIAL REQUIREMENT: The nights could be cold, bring with you warm clothes, a sleeping bag and mattress. Bring also working clothes, gloves and shoes.
