To host cultural events we have a party room in one of our buildings, but there is no insulation so that it can only be uses during summer. In this work camp you will work on plastering walls with a ¿Lime/Straw¿ plaster, and on little internal building modifications. You will be accommodated in a tent with a kitchen access and you will participate in the daily life of the home with other groups. It is an ideal time to meet people from all around the world and you will meet some groups of young French people too. In the middle of the Alps it¿s a good place to discover flora and fauna and mountain life. You can also visit some of the tourist attractions of the area.
