Description of Workcamp: JR11/217 PRECIEUX, 24/07 ¿ 13/08/11

LOCATION

In the Forez plain area, Precieux is crossed by two rivers (the Mare and the Curraize) et kept its rural character with its three ponds. The history of this village goes back centuries earlier, since prehistory objects were found. You will discover the history of Precieux (from Middle Age) throughout its Church (XIth century) and two castles (which one of them became an important agricultural college).

WORK

Under the supervision of municipal employees, you will work 5 days a week and 5 hours a day (in the morning). You will have to restore the interior of the church doing painting work. be careful, work on scaffoldings.

ACCOMMODATION AND FOOD

Under tents. Showers and WC will be near the camp. Volunteers cook their own meals, by team of two. The association provides mattresses but please bring your sleeping bag and a bed sheet. Accommodation at your own expenses if you arrive before the starting day of the workcamp

LOCATION & LEISURE

Precieux is located in Loire department, near Montbrison (10 km far) and Saint-Etienne (35km).
