**Description of Workcamp:** VIMEX08 Gardening II Mexico State 18.07-01.08 Envi 18 5 vols.

Participation Fee: 160 Euros

CAMP DETAILS: Fundacam IAP, is an organization whose objectives are to enable children, youth and adults in computer science, sports and low-cost eco-techniques and develop projects that benefit the community of Valle de Bravo, Mexico State. It has several projects such as:

\*Youth sport clinics whose main goal is to keep children and young people focused on the sport and not drug or violence.

\*Conference Center to give lectures on self-esteem, addiction prevention and cooking workshops and health care.

\*Hydroponic lettuce crops with implementation and training for surrounding communities, youth and adults.

WORK: The activities will be garden design and arrangement of green areas.

LOCATION: Otumba neighborhood in Valle de Bravo, Mexico State.

ACCOMODATION: This will be in the organization, in a big room with beds and showers. Please bring your sleeping bag and personal items.

FOOD: Food will be prepared by volunteers in the kitchen. It has everything you need to cook and care for the food.

LANGUAGE: Spanish (30% or more). Speaking Spanish will be welcome in order to get in touch with the Mexican people.

REQUIREMENTS: Biologist, knowledge in Floriculture and good health. Dedication, responsibility, patience, capacity to team work. Please bring your own insurance and sleeping bag

HOW TO ARRIVE: From the airport Benito Juárez to the VIMEX office.

FREE TIME: Visits or trips to interesting places and beautiful waterfalls in the Lake Valle de Bravo, trips to Velo de Novia waterfalls, Avándaro and sites near the Monarch Butterfly.

COMMENT: You can take the Intensive Spanish Course that we offer to the volunteers in our camps before to go to your camp. See the information and conditions at the section of the Spanish Courses 2011.

The meeting point will be at the VIMEX office before the camp starts because all the volunteers will go together to the project.
