work

This project is set in the beautiful village of Bakkeveen, situated in the north and right at the border of where the provinces Friesland, Groningen and Drenthe come together. An untained part of Fries land, known for its woods, heathland and dunes. A great place to take long walks, ride a bike and enjoy the scenery. The participants will do different activities. During this project there will also be room for recreational and cultural activities with the inhabitants of the village.

accommodation

Tents will be provided, please bring your own sleeping mattress and towels.
