<b>DESCRIPTION OF THE WORLCAMP ACTIVITIES</b>			
<p>Taking part in the restoration works of some of the traditional buildings of the village of Montaigut will be your main task. This work will help to save a remarkable site in the South-Aveyron region where each year many visitors are welcomed. Depending on the team you will work with on shift every day, you will experience masonry work, stone cutting, walls reconstruction, restoration of a vault of an ancient fountain. On weekends you will have the opportunity to visit the area, down the Tarn in kayaking and discover the historic surroundings. Accommodation is very simple (it is not like a hotel).</p>			
<b>DESCRIPTION OF THE HOSTING LOCAL ASSOCIATION</b>			
<p>The association restores, takes care and make alive cultural and natural sites in the Aveyron. It also aims to provide better social insertion for people with employment difficulties. The Association is the seat of the union REMPART in the Midi-Pyrenees region.</p>
