A project for nature and trekking lovers. The local Nature Protection Association of Buldan town is planning to create a trekking road of 3 km. to the crater lake on the top of the mountain. This road will be offered to the trekking lovers when finished. W: Volunteers will start from the beginning part to make steps, enlarge the narrow paths, putting wooden passages over the brook, digging out big blocking stones, etc. The work is out of the town, in the forest. A: In a dormitory in the town center. Sleeping bag and mat are not necessary. F: Will be supplied in the dormitory, packed lunches at the working site. LA: English. LO: Buldan is a small town in the south west of Turkey with 17.000 inhabitants and famous for home made textile products. T: Istanbul The project will start in Istanbul with a compulsory orientation meeting that all volunteers should attend on the first day of the camp. The group will travel together to the camp site by an overnight coach on the same evening. Pre Camp Days: GENCTUR also offers an optional 2 days sight seeing tour in Istanbul before this camp. Volunteers may participate in this tour with an extra cost of 45 Euro for 3 nights bed & breakfast accommodation. The program is organized according to the wishes of the participants.
