Description of Workcamp: GSM09 Gure / Balikesir
06 August ¿ 21 August 2011
ENVI/RENO

Partner: Our partner is Gure Municipality. This will be our first cooperation with Gure Municipality. Information available at: <http://www.gure.bel.tr/> .

Work: The main activity in Gure will be landscaping around the town. The volunteers will be working 5 hours in the weekdays and do planting work.

Food and accomodation: Cafeteria / Guesthouse

Location: Gure is a small Western Anatolian town located in the province of Balikesir. 150 km from İzmir. There are some thermal premises and national parks attracting tourists. The town is located near sea and Mount Ida.

Terminal: Nearest international airports: Istanbul and Izmir.
